Design Process

Please send your inquiries to DIGI-KEYSALES@ADAM-TECH.COM

STEP 1: TELL US YOUR REQUIREMENTS

Please provide our sales engineering team with:

- A description of your requirements.
- Preliminary sketches or drawings (if available).

Our team will then begin the design process.

STEP 2: DRAWING PRESENTATION AND APPROVAL

- Our sales engineering team will create a preliminary drawing based on your design requirements.
- Our team will refine the details until a finalized 2D drawing is completed.
- Once the design is settled, a quotation will be provided.
- Custom cable assembly orders will have MOQs starting at 500pcs, and estimated lead times of 6-8 weeks.
